(New York, NY– 13 November, 2020) On 16-19 November, the Global Security Forum will take place virtually. This year, the conference will explore the evolution of global security challenges posed by complex geopolitical realities that have been exacerbated by the COVID-19 pandemic, including disinformation, extremism, and government illegitimacy. This interdisciplinary, high-level event will gather insights from the world's most prominent experts, practitioners, and policymakers from around the world to trace the evolution of critical geopolitical trends and global security challenges and explore potential solutions.

What: 2020 Global Security Forum on 'A New World (Dis)order? Managing Security Challenges in an Increasingly Complex Landscape'
